

## ÉCHAPPÉE PRESTIGE DRIVER CHARTER

### The Spirit of Échappée Prestige

Taking part in an Échappée is, above all, about sharing a passion: a passion for distinctive automobiles, the pleasure of the open road, and the French art de vivre.

Our rallies are curated touring experiences, designed to savour every moment in an exclusive, authentic, and refined setting.

Within this spirit, each participant commits to exemplary driving behaviour, ensuring safety, enjoyment, and respect for the regions we travel through.

### 1. Responsible Driving and Safety Above All

- Échappée Prestige rallies are not competitions. There are no timed stages, rankings, or performance objectives.
- Full compliance with traffic laws is mandatory throughout the entire route.
- Seatbelts must be worn by all occupants at all times.
- The use of handheld mobile phones while driving is strictly prohibited.
- All participating vehicles must be in perfect mechanical condition, fully insured, and compliant with current regulations.

### 2. Zero Tolerance for Alcohol While Driving

We celebrate fine dining and local gastronomy with discernment and moderation.

Any tastings offered during stops take place exclusively during designated breaks.

Outside of these moments, no alcohol consumption before or during driving is tolerated.

### 3. Respect for the Territory and the Environment

Each itinerary is designed to showcase the natural, cultural, and gastronomic heritage of the regions we explore.

We therefore ask each participant to:

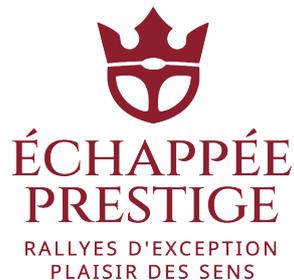

- respect the locations visited, local residents, and other road users;
- avoid excessive noise, unnecessary manoeuvres, or obstructive parking;
- help preserve the cleanliness of the places visited (no litter left behind);
- favour smooth, fuel-efficient driving that minimises environmental impact.

#### 4. Team Spirit and Courtesy

An Échappée is also a shared human experience.

Each crew contributes to the warm, elegant atmosphere that defines the reputation of our rallies.

We value:

- courtesy on the road;
- mutual support between participants;
- respect for hotel, restaurant, and partner staff;
- a polished appearance and exemplary conduct at all times.

#### 5. Commitment and Brand Image

By registering for one of our Échappées, each participant agrees to:

- comply with this charter and with all instructions provided during briefings;
- uphold the brand's image of excellence and responsibility;
- report any incident or inappropriate behaviour to the organising team.

Any serious breach of these rules may result in immediate exclusion from the rally, without refund, in the collective interest and for the safety of all.

\*\*\*

Échappée Prestige embodies the elegance of travel, automotive passion, and respect for both human and environmental values.

We thank each participant for contributing—through attitude, behaviour, and consideration—to making every edition an exceptional experience.

*The Échappée Prestige Team — For a thoughtful, shared, and responsible passion.*
